# Whole Spirit Integration: Combining Metaphysics, Quantum Physics and Biophysics for Optimal Balance

**Ronna Prince**  
**Dr. Donald Backstrom**  
**Saturday, August 29**

**1:00 - 5:30 pm**

**Sedona Creative Life Center**

On June 20, 2009, the eve of summer solstice, at the Sedona Creative Life Center, Ronna Prince channeled the Ascended Master Kuthumi, who addressed the topic of convergence of science and spirituality. This wisdom was interspersed with practical information on how we can balance and integrate during these times of shift and acceleration. The audience was clearly “wowed” by this unique and clear discourse coming through Ronna, a conscious channel who has experienced clairaudience and clairvoyance since early childhood.

Ronna will return to Sedona with her partner, Dr. Donald Backstrom, a chiropractic physician, to share more of their combined work on holistic health and well being. These two dynamic teachers have teamed to bring spirituality and physical healing into a grounded and practical approach to living in these exciting and often challenging times of change. The power of their work resides in the collaboration of spiritual teachings and real-world solutions for balance.

For example, Ronna’s birthname plus the word “liberation” equates to the numerology of 111.
